Final Conference of the CH₂OICE project

February 25, 2011

MAXXI - Museum of XXI century Arts
via Guido Reni, 4 A, Rome

Programme (draft)

MORNING (9.30 – 13.00)

From renewable sources to sustainable production of electric energy

Chairperson: *Maria Berrini*, Ambiente Italia

9.30-9.40

Greetings from the authorities

Representative of the Italian Ministry of the Environment

9.40-10.00

Sustainable use of renewable energy resources

Carlos Gasco, IEA Renewable Energy Division

10.00-10.20

Hydropower and attainment of good status of European Water Bodies

Ursula Schmedtje, WFD Team Coordinator - DG Environment, European Commission

10.20-10.40

Contribution of hydropower to European renewables: environmental compatible potential

David Owain Clubb, European Environmental Agency

10.40 - 11.00

CH₂OICE: how can a voluntary certification help both RE production and rivers?

Giulio Conte, Ambiente Italia.

Institute for Water of the Republic of Slovenia
Voda za življenje, znanje za vode.
Water for Life, Knowledge for Water.

REGIONAL ENVIRONMENTAL CENTER
Slovakia

Holding Slovenske elektrarne d.o.o.

STUDIO FROSIO

Zveza društev MHE Slovenije
Slovenian Small Hydropower Association

Certification for Hydro:
Improving Clean Energy

www.ch2oice.eu

AMBIENTEITALIA

Project coordinator
www.ambienteitalia.it

11.00. 11.30 Coffee break

11.40. 12.00

How the CH2OICE methodology works in practice: experimental certification in Italy and Slovenia

Andrea Goltara, Italian Centre for River Restoration

Natasa Smolar, Institute for Water of the Republic of Slovenia

12.00. 12.20

Certified hydropower: the Swiss experience

Ursula Stocker, Naturemade

12.20 - 12.40 Certified electricity and liberalized European energy market

Riku Eskelinen, EKO Energy

12.40-13.00

The advantages of voluntary certification for public bodies in planning and regulatory processes

Francesco Tornatore, River Po Basin Authority

AFTERNOON (14.30 – 17.30)

Round table and discussion: the point of view of stakeholders

Chairman and round table moderator:

Franco Becchis, Head of Fondazione per l'Ambiente (Environment Foundation) "Teobaldo Fenoglio" (Torino)

Round table participants:

Ursula Schmedtje, European Commission, DG Environment

Karin Helene Seelos, Statkraft

Marko Gospodijnacki, European Small Hydropower Association (ESHA)

Sergio Savoia, WWF European Alpine Program

Italian Ministry of the Environment (to be confirmed)

Other stakeholders expected to be in the audience will be encouraged by the chairman to take part in the discussion; among them the following already confirmed their presence:

*Voda za življenje, znanje za vode.
Water for Life, Knowledge for Water.*
